# INTRODUCTION TO **MINDS IN MOTION FOUNDATION**

Minds in Motion Foundation is a pioneering non-profit organization established with the vision to enhance educational opportunities and foster holistic development among students. Our mission is to empower young minds by providing access to quality education, nurturing talent, and promoting academic excellence.

# INTRODUCTION TO **EDUCATION EXPO 2025**

The **Aurangabad Education Expo** envisioned by its founders **Basit Siddiqui** and **Afroz Khan**, stands as a flagship event designed to inspire, connect, and empower the educational community. This Year Scheduled from **14 to 21 December, 2025**, this immersive, week-long Expo will transform Aurangabad into a vibrant hub of knowledge, innovation, and collaborative spirit, welcoming thousands of students, educators, administrators, and industry professionals from across the region and beyond.

A unique highlight of the Expo is the **exhibition space, where leading educational institutions, publishers, and ed-tech companies** will showcase their contributions to the world of learning. This platform offers educators and administrators an opportunity to explore new resources, network with industry experts, and gain fresh perspectives on enhancing the educational experience within their own institutions.

With something for everyone—students eager to explore new career paths, teachers seeking inspiration, and leaders interested in fostering community-driven change—the **Aurangabad Education Expo 2025** is more than just an event. It is a transformative journey, aimed at enriching educational practices, building connections, and inspiring a shared vision for the future of learning. Join us to discover, collaborate, and be part of a movement dedicated to creating a brighter, more inclusive educational future.

## MARATHWADA LEVEL SCIENCE FAIR 2025

The **Science Fair 2025**, organized by the **Maharashtra Science Fair Academy** under the auspices of **Minds in Motion Foundation**, is a premier event aimed at fostering scientific curiosity, innovation, and creativity among students. Our mission is to provide a platform for young minds to showcase their talents, explore new ideas, and contribute to the advancement of science and technology.

This annual event brings together students, teachers, and educational institutions from the Marathwada region. Through a series of engaging projects, presentations, and competitions, we aim to nurture the next generation of scientists and innovators. The Science Fair not only promotes STEM (Science, Technology, Engineering, and Mathematics) education but also encourages students to think critically and address real-world problems through innovative solutions.

MAHARASHTRA SCIENCE FAIR ACADEMY

## MY CITY MY VISION

**"My City – My Vision: From Classrooms to Real World"** is a transformative civic education and action campaign launched under the banner of the **Aurangabad Education Expo 2025**, initiative by the **Minds in Motion Foundation**. The campaign is designed to activate citywide student engagement, enabling young learners to step beyond textbooks and participate in real-world problem-solving, cultural exploration, civic innovation, and community leadership.

This initiative invites every school and college across Aurangabad to participate in a collaborative city-building movement. Students, educators, and institutions work together to reimagine Aurangabad's future. By empowering students to think critically, act creatively, and build meaningfully, the campaign aims to transform classrooms into incubators of civic change and students into active agents of urban development.

**Campaign Vision :** To cultivate a generation of youth who can bridge the gap between education and action by applying what they learn in school to the challenges, heritage, and future of their own city.

## Thematic Activity Tracks

**1. Science & Innovation :** Develop Science, Technology and innovation based solutions to local problems such as pollution, traffic, water conservation, waste management, and energy use. Encourage interdisciplinary approaches and collaborative problem-solving to address pressing civic challenges through scientific inquiry.

**Activity formats:** Model-making, tech prototypes, science expos, innovation sprints, robotics demos, smart city simulations.

**2. Social Impact & Justice :** Address social inequalities, promote peace and environmental justice, advocate for civic rights, & highlight marginalized voices. Students will engage in critical conversations and initiate action-based solutions that reflect democratic values and community needs.

Activity formats: Street plays, awareness campaigns, youth parliaments, surveys, human rights exhibitions and civic debates.

**3. Literature & Media :** Document the soul of the city through storytelling, journalism, creative writing, filmmaking, photography, and podcasts. This track empowers students to become cultur-

al historians and community narrators, capturing untold stories and emerging voices.

**Activity formats:** Story contests, film screenings, student newspapers, oral history, fanzine creation and digital storytelling.

**4. Entrepreneurship & Local Economy :** Promote student-led business ideas, tourism innovations, and hyper-local market solutions to empower micro-enterprises and artisans. This track encourages practical financial literacy, branding skills, and social entrepreneurship to tackle unemployment and economic disparities.

**Activity formats:** Student bazaars, startup pitch contests, product design, branding challenges, pop-up stores and sustainability ventures.

**5. Cultural & Heritage Preservation :** Celebrate and preserve the cultural, linguistic, and architectural heritage of Aurangabad. Students will rediscover the city through its traditions, monuments, crafts, and oral legacies, promoting pride and responsibility for cultural conservation.

**Activity formats:** Heritage walks, mini-museums, folk performances, poster exhibitions, archival projects and traditional art showcases.

Message from  
**Dr. Ankushrao N. Kadam**  
Hon'ble Chancellor, MGM University  
Secretary, Mahatma Gandhi Mission Trust

Education Expo 2025, organized by the Mind in Motion Foundation, is a commendable initiative that plays a pivotal role in advancing educational opportunities, especially for minorities and underserved communities. By addressing the unique challenges faced by these groups, the Expo ensures access to resources, guidance, and innovative tools that empower individuals and open pathways to success.

What sets Education Expo apart is its community-centric approach. Under the leadership of the Mind in Motion Foundation, it brings together educators, policymakers, industry leaders, and local communities to foster a collective effort toward educational improvement. This collaboration highlights the importance of shared responsibility in building a more equitable and inclusive future.

Such initiatives remind us of the power of working together to make education a tool for transformation, not just for individuals, but for society as a whole. Education Expo 2025 exemplifies this vision, and I commend the Mind in Motion Foundation for its continued dedication to this cause.

Message from  
**Dr. Abdul Qadeer**  
Hon'ble Chairman  
Shaheen Group of Institutions, Bidar

Education Expo 2025 is an inspiring initiative by the Minds in Motion Foundation, creating vital opportunities for students and institutions to connect, learn, and grow. We are proud to support this event as the Powered By Sponsor, as it reflects our shared commitment to quality education and community empowerment.

Such platforms play a key role in nurturing innovation, strengthening academic ambition, and guiding young minds toward a brighter future. I congratulate the organizers and extend my best wishes to all participants. May this Expo continue to inspire excellence and contribute to building an educated and confident generation.
